## Discussion Topic

**Discuss “evidence contextualisation” in the framework of working across borders in Europe:**

- 1) What can be done together and be easily transferable and what needs to be “contextualised”?
- 2) How to contextualise the output of EUnetHTA into national reporting? Please share concrete examples from the EUnetHTA work

# Panel B

## Discussion Topic

**Discuss the usefulness of the European cooperation on HTA in national contexts of serving national policy/decision-making needs:**

- 1) What are the main drivers for your organisation to get engaged in the European cooperation on HTA? What are the barriers for engagement and can they be (are they being) overcome by your organisation and by the European cooperation on HTA?
- 2) How is HTA put on the agenda of policy and decision-making on national level in different European countries? Please share examples of your national efforts/processes
