# HTA Network Strategy

- New phase of **cooperation** ⇒ from “exploring and testing” to “doing and learning together” ⇒  
**JOINT WORK**
- Up take of EU work in national activities ⇒  
**MAINSTREAMING**
- “**Life cycle**” approach to health technologies ⇒ More synergies with regulators and payers ⇒  
**DEFRAGMENTATION**
- From “projects” to “permanent” cooperation  
**SUSTAINABILITY**
