

2019 Submission Deadlines EUnetHTA Multi-HTA Early Dialogues for Medical Devices

The EUnetHTA Multi-HTA Early Dialogues for Medical Devices (EDMD) procedure takes approximately 135 days from start to finish. EUnetHTA considers the “start time” as the reception of the final Briefing Book. The table below indicates the monthly submission dates for the Draft Briefing Book. The time between the submission of a Draft Briefing Book to an Final Briefing Book will vary depending on the submission. A full description of the EDMD procedure is available in the Guidance Document for EUnetHTA Multi-HTA Early Dialogues for Medical Devices which is downloadable from the EUnetHTA website.
