PTJA03		Y			Y	NP	Y	Y	Y	Y	NL	Y	Y			Y	N	Y	Y	R

Key: Y = Used the EUnetHTA assessment in agency assessment procedures; N = carried out HTA on the topic but did not or could not use the EUnetHTA assessment; R = topic is out of agency pharmaceutical remit; NP = not prioritised for HTA; NL = No company application for HTA.

Note: Blank cells mean that a product wasn't prioritised for HTA or agency didn't report data or company did not submit for HTA

Summary of factors limiting or preventing use of EU netHTA assessments in assessment procedures = PTJA01
